7Oaks Tri Club

To all at the 7Oaks Tri Club,

On behalf of the RLSB, I'd like to say a VERY big thank you to you all for allowing us to be the Charity of the Year for the Sevenoaks Triathlon. I am absolutely delighted to let you know that the total fundraising received from our five charity places was £3600!

Personally, I have found the new relationship formed between the RLSB and the 7oaks Tri Club extremely rewarding. It means not only are we able to raise more critical funds, but we are able to reach out to the local community and build upon our profile.

Every pound that our supporters have raised in the triathlon really does make a difference to the blind and partially-sighted children and adults who desperately need our services. Places like the Dorton House Nursery, home to daily miracles, simply could not function without the support received from the 7oaks Tri Club and our wonderful triathletes.

The event well and truly surpassed all of our fundraising expectations and the RLSB is proud to be associated with such a successful and well organised event.

I am really looking forward to September's event already and have high hopes that it is just as successful as April's!

With thanks and warmest regards,
